

Cut out the pocket on the bold lines. Next fold the left and right sides toward the back of the pocket on the dotted lines. Then fold the bottom flap up toward the back. Glue the flaps in place. Finally glue the pocket onto a page in your interactive notebook.

Instructions for Use

Select a card. Read the phrase containing direction words, and decide if the phrase contains a compass direction, formal name of a region, or a description. Place the card in the correct pocket to indicate your answer.
