Chapter 1

condescend (verb) - to act as if one were of superior rank or station, treating others as inferior; patronize

condescending (adjective)

synonyms: look down on, talk down to, humiliate, disdain

Abilene’s father would then turn in the direction of Edward’s ears and speak slowly, repeating what he had just said for the benefit of the china rabbit. Edward pretended, out of courtesy to Abilene, to listen. But, in truth, he was not very interested in what people had to say. And also, he did not care for Abilene’s parents and their condescending manner toward him.

Chapter 2

inanimate (adjective) - not having or showing the characteristics associated with life; lifeless

synonyms: lifeless, nonliving, inorganic

The rabbit, too, was experiencing a great emotion. But it was not love. It was annoyance that he had been so mightily inconvenienced, that he had been handled by the maid as cavalierly as an inanimate object — a serving bowl, say, or a teapot.

Chapter 3

excruciating (adjective) - very painful; causing agony

excruciatingly ~ Adding –ly turns adjectives into adverbs.

Edward, of course, was not listening. He found the talk around the dinner table excruciatingly dull; in fact, he made a point of not listening if he could help it. But then Abilene did something unusual, something that forced him to pay attention.

The Queen Mary that Abilene and her parents travel across the ocean in is a real vessel. She was an elegant ship built for beauty as well as strength.

Construction began on the Queen Mary in 1930 in Clydebank, Scotland. Because the Cunard Line wanted the Queen Mary to be lavish with no expenses spared, construction halted for several years during the Great Depression. Once construction began again, a name had to be appointed. One of the directors at Cunard decided on the name Queen Victoria, after one of England’s greatest queens. The director went to King George V to get his blessing on the ship’s name. The director simply said he wanted to name the ship after England’s greatest queen. King George V responded that his wife Mary would be honored. So, the ship was named Queen Mary.

On May 27, 1936, the Queen Mary set out on her maiden voyage from Southampton, England. The elegant ship was equipped with five dining rooms, a grand ballroom, squash courts, and swimming pools. For the next three years, the Queen Mary carried the famous and rich.

With World War II changing the world, the Queen Mary was changed as well. In September 1936, she was stripped of her finery and painted a camouflaged gray color. The Queen Mary could transport 16,000 troops at a record breaking speed of 30 knots.

After the war ended, the Queen Mary was transformed back to her original glory. On July 21, 1947 she began transporting passengers. Finally in 1965, the Cunard Line had to sell the Queen Mary. On October 31, 1967, she made her final cruise to Long Beach, California where she is today.

You can now spend a night in the Queen Mary as she is a floating hotel. She also hosts fine restaurants and is a wonderful place for parties.

Have students keep a journal of Edward’s travels.

This is a great way to practice summarizing. Students are limited to the boxes, so summaries must be relatively short.

Once the book is assembled, the even numbered pages on the left side of the pages will be for settings. Here students write a summary of the events that took place in the setting. On the odd numbered pages on the right side of the book are the characters that Edward meets in the settings. This is for writing personality traits of the characters.

Making the Journal

Your pages must be duplicated on the front and the back exactly the same as the vocabulary booklets. I ran my pages front and back directly from the printer. This is a simple process with only eight pages. Simply place the page that has been printed on one side back into the printer for the reverse side to be printed. Once all the pages have been printed arrange them in numerical order and staple down the middle to form the book.

To print the 12 page (3 Pieces of Paper) comprehension book back-to-front follow this guide:

- Pages 12 & 1 front with Pages 2 & 11 on back
- Pages 10 & 3 front with Pages 4 & 9 on back
- Pages 8 & 5 front with Pages 6 & 7 on back

On the left sides of the booklet, students summarize the journey. On the right sides of the booklet, students list character traits.

This unit practices with four root words.
Option #1 Root Word Organizers

Two different styles of root word organizers are provided containing the same information. This page shows the first option, the second option follows. I recommend that you look at both before you make copies to see which fits your teaching style the best.

- Print the organizer/cards onto heavy-weight paper or cardstock.
- Students will fill in the missing information in the blank spaces including:
  - Students should write words containing the root.
  - Students should then write each word’s definition.
  - Finally students should write sample sentences using the words.
- Cut out the cards.
- Punch a hole on the place marked.
- Secure the cards together with brads or book rings.
Option #2 Root Word Organizers

You can have students glue just the top cover page directly into interactive notebooks and have students write definitions and/or sentences containing the words on the pages in the interactive notebooks. Another option is to run off both the top cover page and bottom page of the organizer and glue them together. This option provides the students with boxes containing lines to write definitions and/or sentences.

The organizers have been left **blank** so that any word may be used.

**Instructions for Making the Organizer:**

1) Simply copy the first page of the organizer onto colored paper.
2) Optional ~ Copy the next page onto white copier paper.
3) Trim the outer edges so the organizer will fit into interactive notebooks.
4) The first colored page should be cut on the lines between the three flaps up to the dotted fold line, so that it will open one flap at a time.
5) Students will complete the organizer by filling in the missing information.
6) Glue the top page to the bottom page in the area indicated, so the organizer will open. OR Glue the top page directly onto a page in your interactive notebook.

Poetry Elements Organizer

The Organizer:

Three versions of the organizer are provided depending on the needs of your students.

- Students write definitions for poetry elements and give examples.
- Students fill in key words in the definitions and practice with the examples provided.
- The third copy of the organizer may be used as an answer key, for differentiated instruction, for students who were absent during instruction, or if you wish for the students to have the sentences already completed.

- Hush Little Baby
- Nobody Knows the Trouble I’ve Seen

I’ve also included a couple of my favorite public domain poems that can be used for practice.
- The Children's Hour

Sentence Organizers

Seven organizers are included in this section. They follow a progression beginning with the basics. Your students may not need to complete all seven organizers.

1. Subjects vs. Predicates
2. Sentence Problems [Choppy, Run-on, and Stringy]
3. Compound and Complex Sentences
4. Four Types of Sentences [Simple, Compound, Complex, and Compound-Complex Sentences]

7. Combining Sentences

Sentence Organizers

Three versions of these organizers are provided depending on the needs of your students.

- Students write definitions and give examples.
- The second versions are partly completely.
- The third copy of the organizer may be used as an answer key, for differentiated instruction, for students who were absent during instruction, or if you wish for the students to have the sentences already completed.

The graphic organizers will fit into an interactive notebook after the edges are trimmed.

Instructions for Completing Organizers #1-#5, the Flap Organizers:

- Print the organizer onto colored paper. Trim the edges.
- Fold on the dotted line.
- Cut on the solid lines between flaps up to the dotted fold line.
- Have students fill in missing information.
Instructions for Completing Organizer #6, the Double-Page Flap Organizer:

1) Simply copy the organizer onto colored paper.
2) Trim the outer edges so the organizer will fit into interactive notebooks.
3) Have students fold the organizer on the dotted lines and cut on the solid lines between the words.
4) The two pages should be glued together down the center.
5) Students will complete the organizer by filling in the missing information.
Combining Sentence Organizer

Instructions for Completing Organizer #7, the Staggered Organizer:

All pages in this organizer are the same size.

1) To achieve the staggered flip, begin by placing some glue on the back side across the top of page last page in the stack (Rule #7).
2) Place this page toward the bottom of the page.
3) Place glue across the back next to the last page (Rule #6) and position it above the last page approximately ¼ to ½ inch higher.
4) Continue pasting the pages onto your organizer notebook in the same manner, until you use all 7 pages and the cover page.
Sentence Problems Game

[Sentences in this activity are based on Chapters 11 - 13.]

Setting Up the Game for Play

These games may be played with two to four players.

The Object of the Game

To be the last person to cover a sentence in the center of the game board.

Rules for Playing Game #1

1. Roll a die or spin a spinner to determine which player goes first.
2. When it is a player’s turn, s/he rolls the die and moves the indicated number of spaces. The player then reads the sentence and identifies the “sentence problem.” The player covers the “sentence problem” in the center of the playing board with a marker. If all matching answers are already covered, the player simply does nothing until his/her next turn.
3. If a player lands on a “Free Space,” s/he may cover any “sentence problem.”
4. Play continues until all the “sentence problems” in the center of the game board are covered. The person to cover the last “sentence problem” is the winner.

Note: I purposely left off the commas to make the activity a little more challenging.

Extension

Have students write each sentence that is landed on correctly.

Rules for Playing Game #2

1. Roll a die or spin a spinner to determine which player goes first.
2. Following the game board is a page for students to record their answers either before playing to make the game go more smoothly or as the game is played.
3. Each series of question marks ?? represents one missing item: a comma, a period, or a transition word. When it is a player’s turn, s/he rolls the die and moves the indicated number of spaces. The player then covers the space using a marker on the passage that needs the landed upon item. If all matching answers are already covered, the player simply does nothing until his/her next turn.
4. If a player lands on a “Free Space,” s/he may cover any set of question marks.
5. Play continues until all the question marks in the center of the game board are covered. The person to cover the last series of question marks is the winner.
