List ways the viewer knows the man has been on the island a long time.
He has built a hut.
He has learned how to catch food from the sea.
He has shot down 17 flying objects.

Why is there a tombstone on the beach?
The tombstone has a Superman emblem with the words Super Baby. It appears the man knocked down a superhero.

Why does the man use a telescope?
The man is looking for food in the ocean.

What does “Next Level at 20” mean?
The man considers knocking flying objects out of the sky a game. He has knocked down 17 items and will go to the next level when he knocks down 20. This is like he was playing a video game. Viewers can assume he will move off the island to a different location after he knocks down 20 flying objects.

How many objects has the man knocked out of the sky?
seventeen
